AUDITOR'S REPORT

To the Members of:
St. John's Women's Centre Inc.

I have audited the balance sheet of St. John's Women's Centre Inc. as at March 31, 2015 and the statements of operations and changes in financial position for the year then ended. These financial statements are the responsibility of the organization's management. My responsibility is to express an opinion on these financial statements based on my audit.

Except as outlined in the following paragraph, I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In common with many non-profit organizations, the St. John's Women's Centre Inc. reports amounts for donations and miscellaneous receipts which are not susceptible to complete audit verification. Accordingly, my verification of revenue from these sources was limited to accounting for amounts recorded in the records of the organization.

In my opinion, except the effect of adjustments, if any, which I might have determined to be necessary had donations and miscellaneous receipts been susceptible to complete audit verification, these financial statements present fairly the financial position of the organization as at March 31, 2015 and the results of its operations and the changes in its financial position for the year then ended.
