

## MAP Outreach Worker (Managed Alcohol Program)

The Outreach Worker is responsible for delivering wrap-around support services and safe alcohol provision to participants of the St. John's Status of Women Council's (SJSWC's) Managed Alcohol Program (MAP). The Outreach Worker is also involved in community engagement, education, and outreach promoting harm reduction services for women and nonbinary individuals. As a collaborative member of the SJSWC team, the MAP Harm Reduction Outreach Worker plays an integral role in MAP participants' continuum of care.

The position will integrate participants' goals for their own social determinants of health with MAP practices that are culturally relevant, gender-inclusive, and trauma-informed. These goals are developed alongside and implemented by the MAP Care Plan Facilitator. The Outreach Worker takes direction from the Care Plan Facilitator informing individual support and safe alcohol provision. They will also work closely with other members of the SJSWC team and build partnerships through collaboration with the greater community.

This position reports directly to the Care Plan Facilitator, and receives mentorship and direction from the MAP team.

The SJSOWC embraces diversity and is committed to greater equity in our program and our employment. Our goal is to attract, develop, and retain skilled and strong volunteers and employees from diverse backgrounds allowing us to benefit from a wide variety of experiences and perspectives. In line with this, preferences will be given to and applications are encouraged from women (transgender and cisgender) and non-binary people who are: Indigenous, Black, and people of colour, people living with disabilities, women with experiences in substance use, sex work, and women with experience in the criminal justice system. We encourage applicants to self-identify any marginalized experiences and identities in their application with the knowledge that disclosed experiences will remain confidential.

### Duties and Responsibilities:

#### Individual Support + Alcohol Provision (80%)

- Provision of a safe and stable supply of alcohol, based on participants' care plans, including through community outreach drop-offs.
- Assess participants for over-intoxication, signs of alcohol withdrawal, and other substance-related health concerns.
- Work directly alongside participants and the Care Plan Facilitator to identify and support participants as they work toward their harm reduction, housing, safety, social, and health goals. This work includes both on-site support as well as home visits, shelter visits, and outreach to other community partner sites.
- Work alongside MAP participants' and referrals' interdisciplinary teams of support, including partnered healthcare providers
